## Photo Permission/Waiver

We're in the process of revamping our website, growing our development efforts, and the capital campaign. As part of the process we are creating brochures and other media to share the vision of CSW with interested parties and we need your help. We would like to use actual photos of our students, teachers and staff to share our school with others.

As schools and education move further into the technological future, there are multiple occasions when pictures, or pictures of their work, can be used for display purposes. However, to display student work or pictures requires parental permission. As adults and parents, we are all aware of both the positive and negative possibilities of the Internet. As an institution, we will make all efforts to preserve your child's privacy and security.

*I give my permission for my child's work and/or picture to be published through the CSW website and in school advertisements. I understand that CSW cannot restrict access to the web-site contents. I hereby give permission and release the school from any liability resulting from or connected with the publication of such work. **This permission covers all written, audio, video, and electronic publishing mediums. Unless otherwise notified, this agreement will remain in effect as long as your child is a student at Classical School of Wichita.***
