## O F W I C H I T A

**Classical School of Wichita** is offering a wonderful variety of part-time classes for students in grades 7-12. Our hope is to add bright, well-trained home school students to our upper school classes on a part-time basis. Our upper school faculty love the Lord, their subjects and especially their students. Part-time students are invited to participate in all sports and student life activities. We have a state-of-the-art science lab equipped with everything a young scientist could imagine. Give us a call to discuss how your home school student could excel as a part-time student at CSW!
