9th Grade Book List

Please secure the following volumes before school begins in August. **If you *OPTED IN* to have the school purchase your student's *Great Books and Bible books*, you do not need to purchase the books under those headings, with the exception of the ESV Bible. All families are still responsible for purchasing the books for the remaining subjects.** It is imperative that you get the exact volume that matches the book's ISBN. The ISBN is the 10- or 13-digit number following the book title. If you search Amazon by the ISBN, the proper book should populate. You can confirm that the book has the right ISBN by looking under "product details" on the book's Amazon page. If you have trouble copy and pasting the ISBNs, you may need to enter the number manually.

In addition to Amazon and other online book sellers, Eighth Day Books carries entire class sets for CSW; you can also purchase individual titles from Eighth Day as needed.
